Aloha,

I am Sharon DeMello Vannatta, running to provide the voters of District Two a clear choice between tax and spend Democrat old boys and a Republican who stands for ethics, lower taxes and smaller and less intrusive government.

If elected I pledge to build roads without personally profiting from the project. I pledge to support safe ATV recreation facilities without personally profiting from it. Legislators must serve the people, not fill their own pockets.

Hawaii's taxes hit low income people the hardest, putting pressure on struggling young families and reducing opportunities for home ownership. Eliminating GE Tax from food, medicine and fuel will lower our electric bills, the price of gasoline and the cost of consumer goods. If elected I pledge never to vote to raise your taxes.

We need expanded school choice and more charter schools to improve educational opportunities-especially for low-income families.

We need to get unnecessary regulations out of the way of local businesses. We need open and fair government contracting. Too many of our young people move to the mainland due to lack of opportunity.

I support term limits for state legislators.

I support Governor Lingle's efforts to bring ethics, professionalism and transparency to state government. Hawaii needs a real two party system. I will never put my party above the interests of my constituents.

With your help we can make Hawaii a place where everybody gets a fair shake. I'm Sharon DeMello Vannatta and I humbly ask for your support.
